*Christians in every generation and in every part of the world
have discovered the flame of the Holy Spirit kindling in their
hearts. The Fire of God, experienced as the flame of the Holy
Spirit, is to be found upon the altar of our hearts, already burn-
ing there, from our baptisms, before we may ever have known.
It is the Divine Fire of purgation, illumination, and union.
These Christian masters teach us how to seek this fire of Love.*

The Lord will look mercifully on you and kindle a flame in your heart ~ Theophan
